## MODERN SCRIPT VARIATIONS (MONDAY)

There are many different styles of modern calligraphy and this class will help you discover what works best for you. We will learn a lively, bouncy style and an organic, ethereal style. We will go through each letter, upper and lowercase, and learn the differences in the two styles. Also included will be an exemplar of Suzanne's Florence Script. This variation is more traditional than a modern script, but not as formal as Copperplate script.

## FLOURISH FETE (TUESDAY)

Flourishes can add such beauty to individual letters, as well as under or above lines of script and on envelopes. This fun class will cover different ways to flourish off of each letter and why one way works better than another. We will also learn how to make larger flourishes that stand alone from the letters. These can make your envelopes and calligraphy pieces pop with beauty.

Suzanne Cunningham is a professional calligrapher with 24 years of experience and has taught many workshops and private lessons. She has studied under Master Penmen Michael Sull, Barbara Calzolari, Bill Kemp, Harvest Crittenden, and Crown Office Scribe Paul Antonio, as well as Heather Held, Barbara Close, Angela Welch, and Karen Brooks. She specializes in Engrosser's Script, more commonly known as Copperplate Script, and enjoys adding flourishes to her calligraphy. Suzanne lives in Florence, Alabama with her husband, two daughters, and Golden Retriever, Mabel.
