ABOUT ANNIE

The world of books has captivated Annie Cicale since she was a child. Fascinated by writing, her first Osmiroid fountain pen led her to the world of calligraphy. After a short stint as a chemical engineer, she returned to school, receiving a BFA in printmaking and an MFA in graphic design; she now calls herself an intuitive engineer. She has taught calligraphy workshops throughout North America, Japan, Spain and Australia, and has had a number of one person exhibits, including the installation of "The Face of Humanity" at galleries in Tennessee, Montana, Illinois and North Carolina. Her artist's books are in public and private collections, including the Design Library at Yale University. She is the author of *The Art and Craft of Hand Lettering*, revised in 2018. She divides her time among teaching, graphic design work, painting and making artist's books. When not in the studio, she can be found in a swimming pool teaching water aerobics, in her garden, or hiking, with treks in Peru and Nepal testing the patience of her knee surgeon.

ABOUT THE WORKSHOP

Italic is a beautiful hand that can be used in formal designs or adapted for very contemporary applications. You learn it from the exemplars of your instructors, but how do you make it your own? We will begin with a study of the fundamentals of this Renaissance style and modify it to suit your needs, experimenting with forms as well as a variety of writing tools. With these basics we'll do some exercises working with the elements and principles of design to understand how to plan and execute sophisticated designs that incorporate the variety of letters we have studied.

The fluidity of *Italic* lends itself to grace and elegance, and flourishing your letterforms gives them even more beauty. We'll work with secrets to make your flourishes look easy by understanding their structure just as you do your letterforms.

Workshop is limited to 20 participants. Enrollment is for current paid Society for Calligraphy members only. Your membership must be current at time of sign-up as well as when class is held. No reservation will be held until your dues are current. If your membership lapses, you become ineligible and your space will be filled from the waiting list. Sign-ups are accepted in advance on a first come, first served basis. No refunds unless your place can be filled from a wait list. If you must cancel, please do so early enough for your place to be filled. For confirmation and prompt receipt of supply list, we recommend that your check arrive no later than two weeks before the workshop. You do not have a spot in the workshop until you are notified by the coordinator.
