ABOUT THE WORKSHOP

Flora (the feminine personification of the healing powers of nature), draws upon the texture created by the double-hit, Open-Shaded Script stroke made in Monolinear Lettering, as a way to illustrate flourishes and florae forms as accents and extensions of our lettering. Using watercolor pencils and watercolors, we'll harness the power of sensuous forms through the lens of pencils and a brush, and the vivid expression of color. Pencil meets paintbrush - you'll become more adept at brush control as it flirts so beautifully with the soft, buttery, and thirsty watercolor pencils. We'll use soft oval-shaped curves to describe absolutely every space-filling element on the page with every stroke. Open-Shaded Script is a prerequisite for this course.

Workshop is limited to 20 participants. Enrollment is for current paid Society for Calligraphy members only. Your membership must be current at time of sign-up as well as when class is held. No reservation will be held until your dues are current. If your membership lapses, you become ineligible and your space will be filled from the waiting list. Sign-ups are accepted in advance on a first come, first served basis. No refunds unless your place can be filled from a wait list. If you must cancel, please do so early enough for your place to be filled. For confirmation and prompt receipt of supply list, we recommend that your payment arrive no later than two weeks before the workshop. You do not have a spot in the workshop until you are notified by the coordinator.
