with lunch break

**\$60** by check

**Valley location TBD**

**Materials to bring to class:**

- Wrapped Brick or other weight
- Needle for pricking holes • Glue stick

A small \$7 materials fee for a kit that will include papers, needles & thread.

Make books that open flat, can be compiled with any number of single folios or signatures (from a few to many), any combination of papers, a guest book, a sketch book, a travel journal (you can bring individual pages on a trip and make a book of them after you get home - so much lighter and more flexible), or a collection of treasured greeting cards where you can enjoy all sides. Various approaches to creating covers will be included and an easy way to create sewing stations without measuring.
