

**DON'T MISS OUR 45TH ANNUAL RETREAT IN SANTA BARBARA. 3- TO 5-DAY PACKAGES AVAILABLE**

Please join us at beautiful Westmont College in Santa Barbara. Lovely grounds for walking. Those who wish ne can drive to any location on campus. Great food to match any diet. We have a fantastic place to do our art (our scriptorium), and loads of fun demos available to do (or not). Bring any projects you have been planning to get done. Or, you might wish to simply retreat from everyday life!

You can also get involved: There is a room adjacent to our scriptorium which serves as our gallery and demo area—bring your work to tape or prop against, the walls. We always have several optional activities. This year: A Sumi Ink sink art book, the Clarkson (no sew) book, a decorative paper “orb” and MORE in the planning stages. We have a covered outside area for wet media—this year it will be Eco Printing, paste papers, and walnut ink/bleach papers. We hope to see you there for loads of fun and relaxation!
