### Class Series

We'll cover both traditional and modern copperplate script--the brush pen is the simplest tool for learning these popular styles and is so convenient! Join me for three mornings spent writing these flowing letters and combining them to create beautiful lines of text.

**1. WRITING SMALL LETTERS \$40**  
SATURDAY, JULY 8, 2017 9:30 AM-12:30 PM \*

We'll start with the small letters--these can be used on their own.

**2. WRITING CAPITALS \$40**  
SATURDAY, JULY 15, 2017 9:30 AM-12:30 PM \*

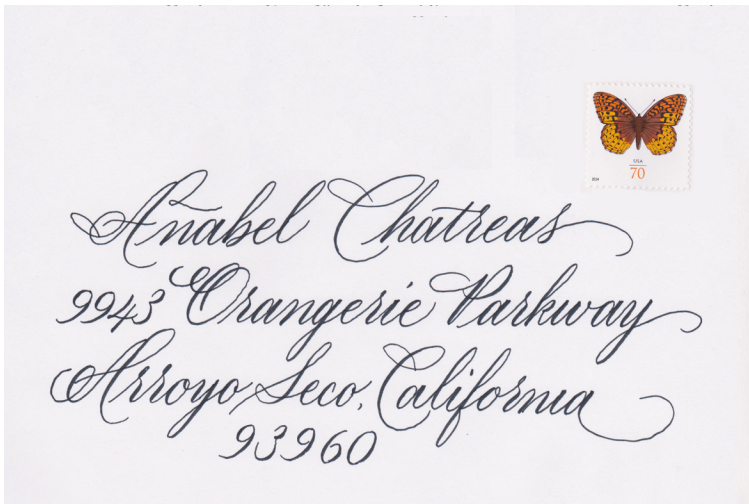

*Note: Session 1 OR similar experience necessary*

We will move on to writing capital letters, learning techniques that make this lettering beautiful.

**3. USING POINTED BRUSH SCRIPT \$40**  
SATURDAY, JULY 22, 2017 9:30 AM- 12:30 PM \*

*Note: Session 2 OR similar experience necessary*

We will learn numbers, letter variations, simple flourishes, and will explore uses. We will learn to paint a few simple flowers to go with our lettering.
