\$60 by check
+ \$10 Materials fee to be paid in class

Valley location TBD

The piano hinged binding is an elegant design. The structure is made of two parts. The exterior is a hard cover with a hinged spine. This exterior cover encloses a hard cover sewn text block. The sewn text is pasted to the interior of the outer cover. Hard covers will be covered with beautiful fabrics supplied by the instructor. Design allows pages of the text block to be opened flat.

Materials provided will include pre-cut boards, brass rods, and detailed instructions for the hinge structure. Book cloth and papers will be provided to allow individual design choices for your book. Experience with sewing a text block is suggested.

Dick Pio is a long-time SfC member, past board member, and has taught many workshops for SfC and its Regionals over the years. His books are truly art forms and his exacting and patient teaching style makes his workshops a fun and successful experience for all his students.
