ABOUT THE PROGRAM

Prepare for the holidays, with techniques to help you spruce up your wrapping. You'll learn fun techniques that you can use throughout the year.

Angie Elliott will walk us through making poinsettias and various styles of paper roses. You can use paper from your calligraphy practice, spare maps, scrapbook paper, pages from books that have fallen apart, wrapping paper, coffee filters, you name it!

We'll have a few side projects going as well, for those

who finish their flowers and are interested in making tags or other small projects.

Please bring the following supplies and we'll have a few to share, too.

- Coffee filters, #4
- Scrapbook paper - seasonal design, if desired
- Other papers (calligraphy practice sheets, maps, book text, wrapping paper, etc)
- Scissors
- Low-Temp glue gun and glue sticks

Workshops are limited to 20 participants. Sign-ups are accepted in advance on a first come, first served basis.
